

OAKBANK
WINCHBURGH

A NEW HOME AND A WHOLE NEW LIFESTYLE IN ONE

As part of one of the largest and most exciting placemaking developments in the UK, Oakbank offers a selection of spacious four and five bedroom properties which directly benefit from the vast new amenities and enhanced environment that is being created in Winchburgh.

Building upon an existing community, the masterplan will deliver improved transport links, mixed use town centre, a brand new school campus including primary and secondary schools, a new marina and moorings, increased employment opportunities as well an 85 acre district park, all just 12 miles west of Edinburgh city centre.

With amazing plans for an incredible future, Oakbank is set to become one of West Lothian's most desirable developments, providing an enviable mix of flexible living, fantastic local facilities and a wealth of open green space, all within an easy commute of the capital.

COMMUNITY SPIRIT

Life in Winchburgh is about being part of a thriving community. Coming together is made easy with a wide range of existing family-friendly amenities including parent and toddlers groups, dance school, youth club, canal society and seniors club. Get down and dirty with Winchburgh Community Growing Group or show your support by sampling their locally grown fruits, vegetables and herbs.

There's fun and fitness for all ages and abilities with netball, golf, bowling, youth football clubs and a variety of classes held at the local community centre. Now is the time to discover the right fit for you. Perhaps your preference is to explore your new surroundings on two wheels following the 13-mile cycle path along The Union Canal.

However, when it comes to amenities, the aim is not simply to stand still, but instead to increase Winchburgh's appeal even further with an additional array of impressive attractions. The 85-acre Auldcathie District Park will incorporate outdoor sports facilities, cycle paths and play areas. A new mixed-use town centre and an attractive marina and moorings will appeal to locals and day visitors alike, bringing increased employment opportunities and ensuring a community that continues to give back.

THE ROAD TO EVERYWHERE

Winchburgh not only enjoys an excellent geographical location, but will also benefit from improved transport links, including the planned M9 junction located just a few minutes' drive from your doorstep, providing fast access to and from Edinburgh city centre and throughout West Lothian. Commuters and day trippers will be able to reach Livingston, Linlithgow and Falkirk easily and take full advantage of a more relaxed drive to The Gyle or Edinburgh Park.

Regular scheduled bus services offer efficient travel throughout the region, including Stirling, South Queensferry, Falkirk and Edinburgh. For those going further afield for business or for pleasure, Edinburgh Airport lies just 6 miles from the development.

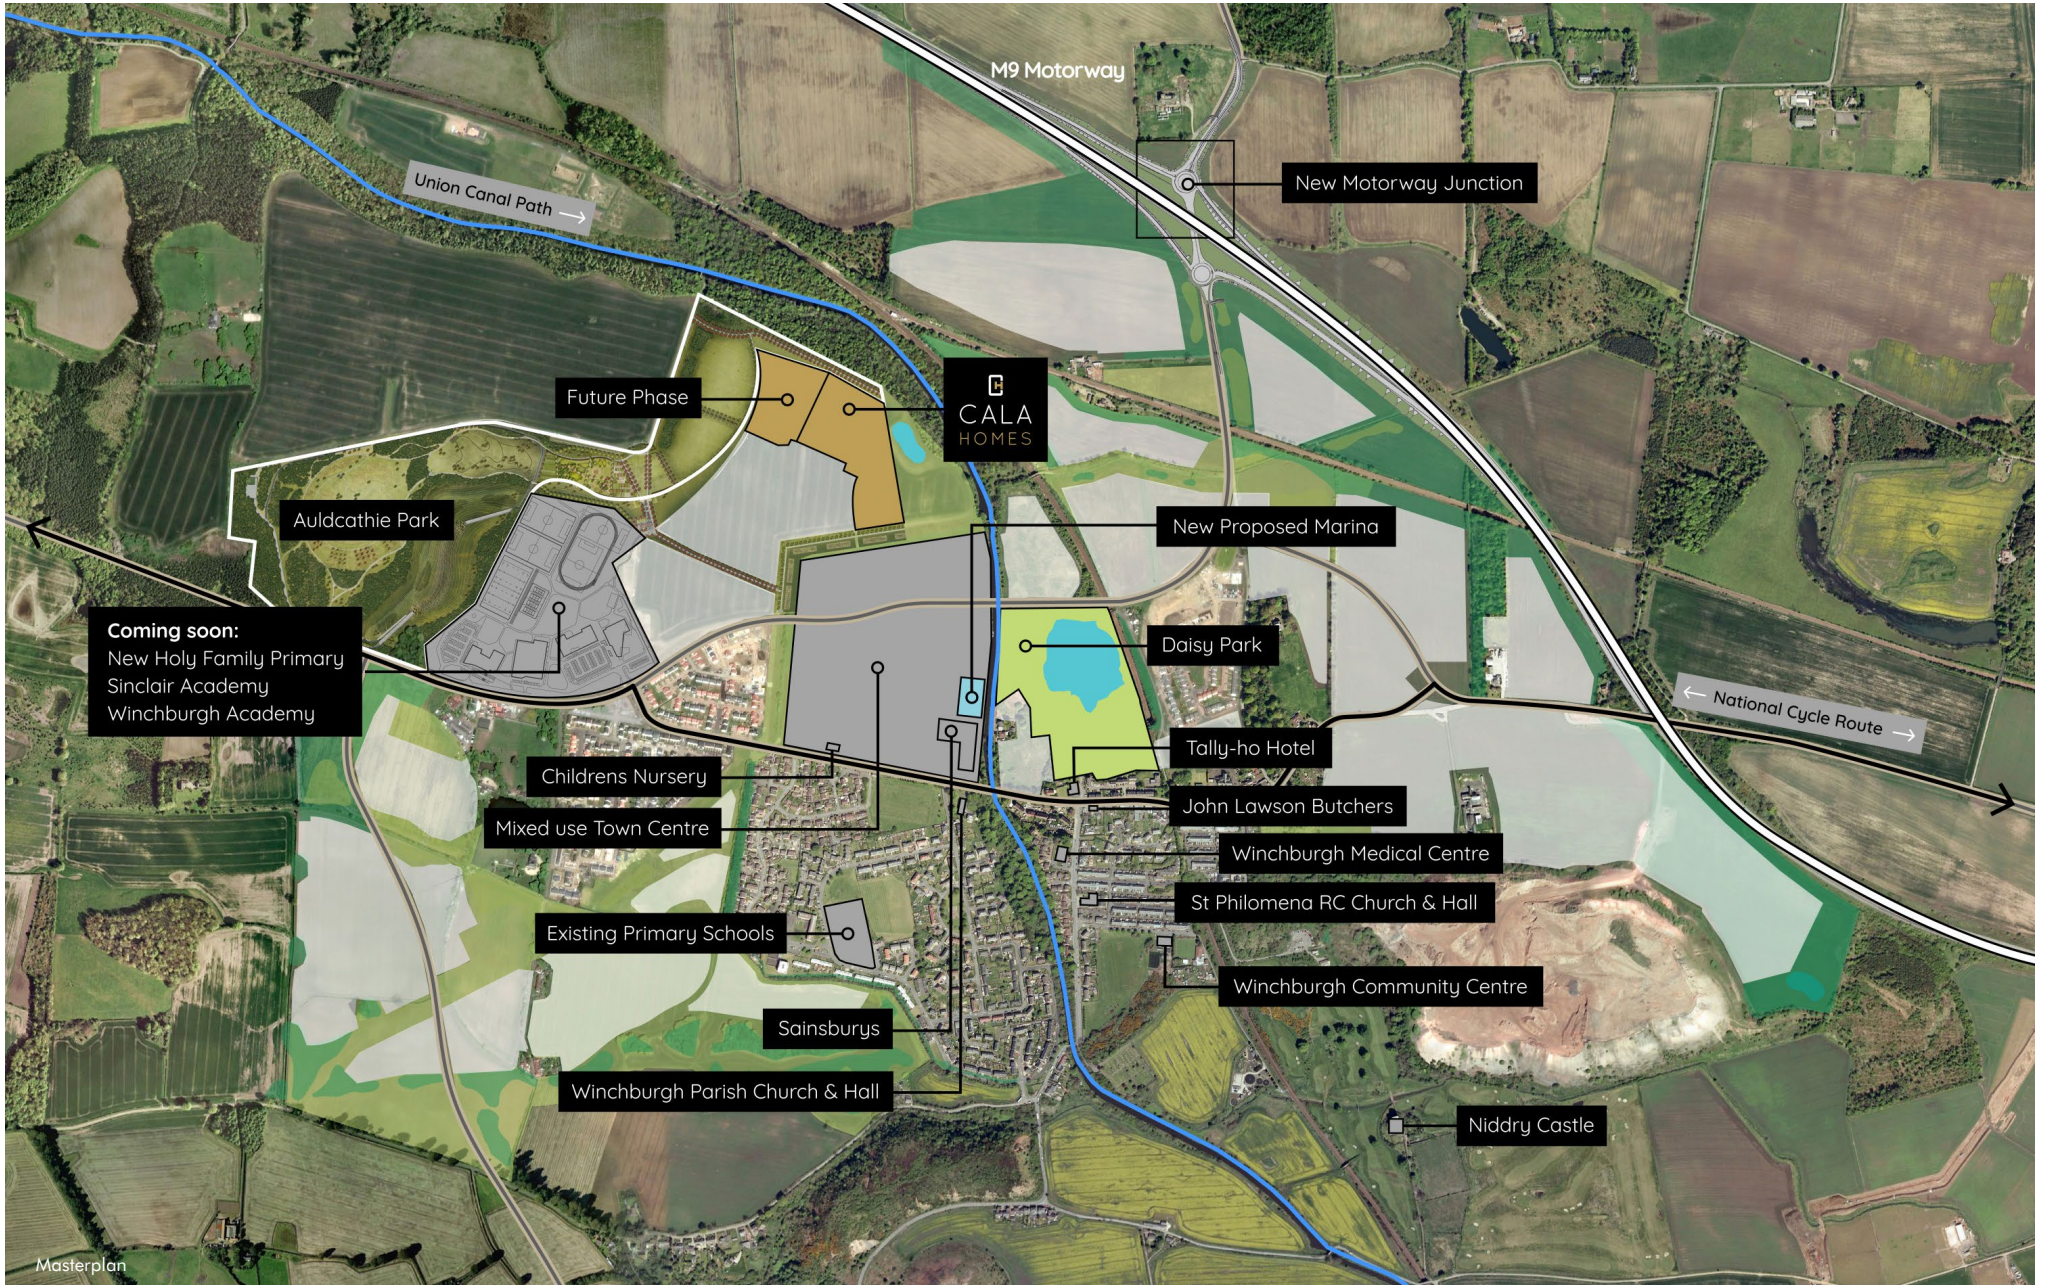

TOP OF THE CLASS

Winchburgh is well served for education with two primary schools within the village and the well regarded Linlithgow Academy close by.

Families with children will continue to benefit from excellent schooling going forward too, with new primary and secondary educational facilities being delivered as part of the wider area masterplan.

Three new schools are currently under construction including Winchburgh Academy, Sinclair Academy and Holy Family Primary School all of which will be based at the new campus adjacent to Auldathie Park and benefit from access to brand new facilities excellently located within fantastic green spaces.
