A NEW CHAPTER FOR CATRINA AND GREG

Hoping to discover somewhere which offered a taste of rural community life but still had convenient access to the city centre, Catrina and Greg decided to buy off-plan at Craibstone Estate, using CALA's part exchange service.

Catrina explained: "As this would be our first house, we were both extremely excited but a little worried about selling our current home, however when the CALA sales team explained to us how the part exchange service works, our decision to move was simple.

Having never part exchanged, we imagined it would be a fairly time consuming process, but to our surprise it turned out to be the complete opposite. From start to finish it was very straight forward and everything was explained in detail making the whole scenario a stress-free one. We first visited CALA in February and by April, we'd moved into our new home".

Catrina and Greg were the very first residents to lay their roots in the Aberdeen development, moving into the detached Garvie housetype in the spring. Designed completely with flexible family luxury in mind, the home's five bedrooms provide ample room to breathe which can be tailored to suit any lifestyle, providing the ideal solution to Catrina and Greg's search for more space.

Catrina added: "There were certain requirements that both of us were looking for in our future dream home and The Garvie covered them all and more. From the bright and airy master bedroom to the lovely garden located at the back, there were plenty of boxes ticked for what we were looking for. The double garage was also ideal for our work commute into the city centre. However, my personal favourite space in the house is the stunning open plan kitchen and dining area, which is tailor-made for hosting both our family and friends".

Comprising a mix of three, four and five bedroom luxury detached, semi-detached and terraced homes, as well as contemporary apartments, Craibstone Estate has proven to be hugely popular with a variety of homebuyers searching for their dream home.

"EVEN NOW THAT WE'VE BEGUN TO SETTLE AT CRAIBSTONE, ROSS FROM THE SITE TEAM HAS BEEN VERY ACCOMMODATING AND SUPPORTIVE. IT'S REMARKABLE TO SEE HOW CALA CONTINUE TO DELIVER EVEN AFTER WE'VE RECEIVED THE KEYS TO THE DOOR!"

Catrina Taylor and Greg Keith, purchasers at Craibstone Estate

ITS COSMOPOLITAN DELIGHTS ON YOUR DOORSTEP

With everything in close reach, you can find the perfect lifestyle balance at Southbank. Your immediate Don Valley surroundings are full of characterful charm, scenic trails and beautiful green spaces like The Persley Walled Garden.

If you fancy a little more buzz and excitement, the desirable café culture, independent shops, extensive leisure facilities and major supermarkets in neighbouring Bridge of Don are only round the corner, together with the Granite City's bountiful high street stores, restaurants, museums and theatres all just a short drive away.

Aberdeen enjoys access to championship golf clubs like Royal Aberdeen, Murcar Links and Trump International Golf Links, as well as offering a convenient gateway to the unspoilt, rugged beauty of the coastline.

When it comes to schooling, Woodside Primary and St Machar Academy are both nearby, while many other well-regarded schools* can be found throughout the local area. And for higher education, the University of Aberdeen and Robert Gordon University are also nearby.

*Owning a home in a school's catchment area does not guarantee a place at the school. Please consult the local authority for details.

WELL CONNECTED IN EVERY WAY

For your daily commute into Aberdeen, you can look forward to a convenient three-mile journey, with direct access to the A92 and the recently completed Aberdeen Western Peripheral Route (AWPR), which is improving connections greatly. The A96 is equally handy and runs all the way up to Inverness in the north.

If you wish to take the train, Aberdeen station offers regular services both to the north and south of the city, as well as direct main line connections throughout the country.

Aberdeen Airport is within easy reach too, so you can take off across the world at a moment's notice.
